2. We aim to provide a top-quality service that meets the identified care, nursing and social needs of our service users, we do this in an environment that feels like home

3. We assist older people to live lives as they wish, we provide the support to enable them to make choices dependent on their own abilities and interest. We ensure that those who do not have capacity have all decisions based on their "best interest" and where possible we consider less restrictive and alternative ways in which to make any decisions on people's behalf

4. Personal care is tailored to the individual which is continuously being developed and re assessed and reviewed

5. We aim to ensure that our work force is fit for purpose and have the skill set, training and qualifications necessary to support the service uses who live in the home this we do by appropriate supervision, training, education and personal development of our staff

6. To ensure full compliance with the Essential Standards and offer excellent quality care

7. We manage care in a holistic way and monitor health and medical problems proactively, ensuring that we involve outside practitioners where appropriate

8. We ensure that Service users and their families are treated with Dignity and Respect at all times.
